Onderwerp: Bronsteevaart ligplaatsen

Opvolgingsvlag: Opvolgen
Vlagstatus: Met vlag

I am writing to say I am not in favor of more places for boats along the Bronsteevaart and the Fisherman's path. More motor boats will cause more noise in the neighborhood, will disturb the nests of the koots and grebes and will make the water dirtier. I am the owner and am totally against more boat places along this narrow body of water.

Sincerely,
